WHAT HAS EVERYONE BEEN UP TO?

- Maddie (Ms.Mahon) has been working on this project for the last two weeks. It is a life size Maddie in her blue dress and her cat Faye, made out of cardboard, paint, string, pasta, paper, wire and corks. It's fabulous Maddie—well done! Maddie has been cycling every day to the allotment where she is planting seeds and hoping to win the battle of the weeds. 
- Amelia (Ms. Grimes) made this seahorse out of loom bands with the help of her sister. Well done Amelia, it's really impressive! 
- Senior infants were busy this week with the theme of the airport in Aistear and they had to design and make an airplane. Rosa Griffin (Ms. Hewitt) used recycling materials - plastic, bubble wrap, cardboard and paper to create her airplane - RosAir - and had lots of fun creating and colouring it!! (see gallery page)
- Adam (Ms Wilde) designed and built an aeroplane as part of his Aistear

work. (see gallery page)

- Some news from Will (Ms. Daly) & Luke (Ms. Keane): Will & Luke created a sand sculpture yesterday (actually a big sandcastle) and decorated it with seashells. Luke is enjoying learning his sums with the "Push the button" app. Top score is 32. He's also drawing pictures for grannies, granddads and aunties. Will has a new camera and is taking pictures. Will & Luke helped their mum plant new seeds and flowers in the back garden. Will also finished his project on "GAA Rules - then and now". He's now a walking encyclopedia on the rules :-)
- Happy birthday to Seán (Ms. Grimes) who turned 8 on the 26th May. Hope you had a great day Seán!

HAPPY BIRTHDAY!
