## Did You Know?

Bolts of lightning can shoot out of an erupting volcano!

Kind hearts are the gardens,  
Kind words are the roots,  
Kind thoughts are the flowers,  
Kind deeds are the fruits.

Take care of your garden  
And keep out the weeds;  
Fill it with sunshine,  
Kind words and kind deeds.

## Did You Know?

Popcorn can pop up to 3 feet in the air!

## WHAT HAS EVERYONE BEEN UP TO?

- Eddie (Ms. Wilde) took a tumble off his baby sister's slide and broke 2 bones in his arm, but he is being really brave and is still enjoying doing his school work with his left arm, football in the garden and walks on the beach. He loved the Airport Aistear project and build a fab junk art plane with just one arm with a bit of help from Dad! (see gallery page)

he also drew a picture of them (see gallery).

- Liam (Ms. Daly) Is loving going for bike rides around Skerries with his mum & dad. On his last adventure he was excited to spot a grey seal relaxing in the water next to the pier. He misses all his friends at school and can't wait to meet up with everyone again soon.

- Robert (Ms. Comer) has been swimming in the sunshine with Harry, Aisling and Clara, and enjoyed a go on kayak and paddleboard. We walked around Shenick Island and Robert speeded up as he passed seagull nests. He is loving Lego Ninjago, football in the garden, and is looking out for butterflies. Robert misses his pals and says a big hi!

- Ms Connolly has been paddling in the sea with her kids for the last few weeks and finally last Tuesday she had her first swim in the sea this year. She walked out to Shenick Island with her family last week and had a lovely picnic on the beach after.

- Rachel (Mr. De Condúin) has been keeping busy during the lockdown creating lots of art, doing Joe Wicks workouts, going for long cycles, baking lots of cakes and playing (and winning!) lots of games of UNO and Rummikub with her family! She also created some 'flowers for life' in the garden with her big sisters. Well done Kehoe ladies – they are beautiful.

- A big Happy Birthday to Jeff Dungan (Ms. Wilde) who turned 7 on Friday 5th June. Jeff had a great day celebrating with his family and he can't wait to celebrate with all of his friends soon.

**HAPPY BIRTHDAY!**

- Ms. Meehan went kayaking last weekend in a new inflatable kayak and it was great fun!
- Nicholas (Ms.Hewitt) went to Shenick Island and drew a lovely picture of his visit. (see gallery)
- Reuben (Ms. Keane) really enjoyed learning all about the swans and their new cygnets. This is a photo of him visiting them at the pond this week and

- Sophia Lynch (Ms. Kelly) has worked very hard at creating a wonderful Recycling Art Project. It is excellent Sophia and is included in the gallery page.
- Since being at home, Isaac (Ms. Grimes) has appeared in a TV ad! It is for Vodafone, there is a version of it online here: <https://www.youtube.com/watch?v=om-BN5qQRIA> He is seen spilling out lego about 20 seconds in, and then him and his sister Eve from the senior school are playing hide and seek straight after. Those bits were shot by his brother Noah from 6<sup>th</sup> class, who is also in it playing football about 45 seconds in. Wow Isaac - that's so exciting! Thanks for sharing it with us.
- Amelia (Ms. Grimes) and her family adopted a little dog called Maisie!

**Teacher to student:** Why are you doing your maths sums on the floor? **Student:** because you told me to do it without using tables. (Amelia O'Connor)

**What is brown and sticky?** A stick!

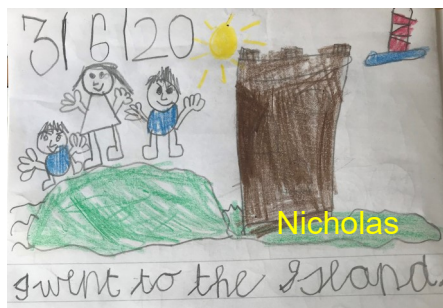

**Why did the picture go to jail?** It was framed!

Jokes to make you laugh!

Everyone smiles in the same language.
