Did You Know?

Your mouth produces about **one litre** of saliva each day!

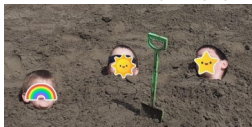

You are
AMAZING.
You are
IMPORTANT.
You are
SPECIAL.
You are
UNIQUE.
You are
KIND.
You are
PRECIOUS.
You are
LOVED.

Did You Know?

Although the Moon shines bright in the night sky, it doesn't produce its own light. We see the Moon because it reflects light from the Sun.

WHAT HAS EVERYONE BEEN UP TO?

- Danny (Mr. DeCondúin) and Shane (Ms. Grimes) both got new bikes as their old ones had gone a bit too small. So most of skerries has been cycled at this stage. With the great weather that we have had they have spent most of their time in the garden and had great fun in the paddling pool! They have been doing lots of junk art and made shoes out of cardboard, bubble wrap, paper and selotape. (see gallery page) Their Mom and Dad were very impressed. The boys worked together to make a flying robot out of lego which is also in the gallery page. They got to the beach as a family a few times and Mom and Dad really enjoyed burying them in the sand!! I hope you managed to escape boys!!

- Finn (Ms. Daly) has had an eventful few days. On Friday he participated in a painting class via Zoom with his mam, and painted a very impressive lighthouse scene (see gallery). He has also been busy making stop motion lego videos for his own youtube channel! On Saturday, Finn had a grading test for Taekwondo (again via Zoom) and deservedly was promoted to blue belt. He has been putting in a lot of hard work and practice, along with training 3 times a week and is delighted with his achievement. His parents and sister Rae are all very proud of him. Well done and congratulations on a wonderful achievement Finn!

- Hannah (Ms Byrne) and Martha (Ms Grimes) have been camping in their back garden. They had a midnight feast and slept beside their Dad. The seagulls woke them up at 5am so they went to their own bedroom!
- Ruby (Ms. Daly) moved house last week and is loving her new big garden. She also lost another tooth and she turned 9 years old. She had a few friends over in the garden to celebrate and it was great. Happy Birthday Ruby! Hope you had a lovely day celebrating!
- Rachel Molloy (Ms. Keane) has learned to ride her bike without stabilisers and turned 6 years old on Wednesday 10th June! :) Happy Birthday Rachel! Hope you had a great day!

- Tadhg (Ms. Hewitt) is learning all about reading and telling the time, by drawing clocks and watching the Number Jacks with his Dad.

- Leah (Ms. Hewitt) met her Nana, Grandad and cousins in Malahide Castle for a socially distant picnic. She had great fun with her cousins and her Nana made caramel slices which were yummy!
- Amélie (Ms. Hewitt) enjoyed the sunny weather we had a few days ago. She got into the sea for the first time this year. It was cold but fun. She went camping in her back garden with her dad & little brother, which was really exciting. The brightness, birds & seagulls woke her at 5.30am though! She's learning how to make bread & made the yummiest loaf & had some with butter & jam. It was her mum & dad's wedding anniversary & she made a lovely card for them.

What time does Roger Federer get up?...about tennish! (Hannah & Martha)

Where do fish keep their money? In the river bank!

Why did the gum cross the road? It was stuck to the chicken's foot!

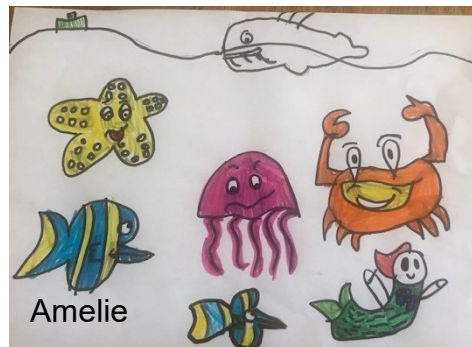

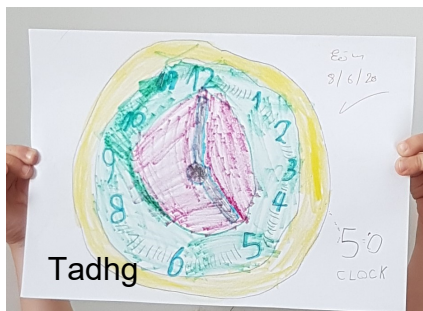

Why do bees have sticky hair? Because they use honey combs!

Jokes to make you laugh!

The world always looks brighter from behind a smile.
