### Did You Know?

An ant can carry 50 times it's body weight!  
(That's like a child carrying a car!)

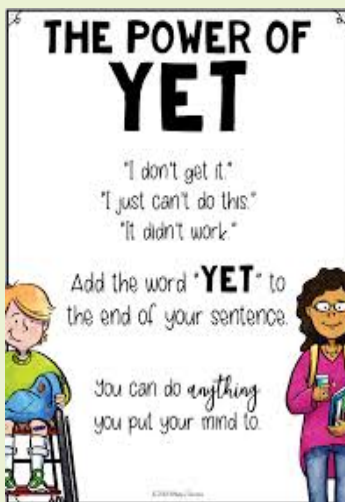

- Liam (Ms Daly) did a drawing of an Emperor Tamarin Monkey for his Zoo Fact File. (see gallery)
- Caoilinn (Ms Meehan) is enjoying being able to play out on the road again with a couple of her friends. She has been doing arts and craft, going on lots of scoots and reading books. She is also using the lovely paints and brushes she got as a present from her granny ('Purple Cat' painting on gallery page). Caoilinn wishes all her friends and teachers a safe and fun summer!
- Logan (Ms. Spillane) got some Ninjago legacy Lego for his birthday and spent some time with Mam and Dad putting it together. (see gallery) Logan is looking forward to seeing his friends again in September. He has loved getting into the sea with his new body board on the sunny days.
- Tom Mawe was busy making newspaper reading MONSTERS!!! (see gallery)
- Liam Redmond (Ms Kelly) and Paddy Rock (Ms Hewitt) made a sandcastle of

Camp Nou in Barcelona! Complete with players inside! You can see it in our Gallery page. They have also taken up shrimp fishing on the side in the rock pools.

Geoff (Ms Kelly) and his sister Eleanor have had an exciting week with a new arrival - they have a new baby sister - Harriet. They both think she's amazing and Geoff is being an awesome big brother already. Huge congratulations Geoff and family - what lovely news!

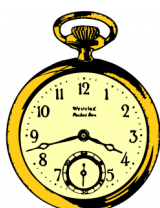

- Leah (Ms. Hewitt) made an elephant mask for junk art (see gallery). She went on a hike with her cousins in Howth on Saturday. It took 5 hours! Their Nana bought them a double scoop of ice-cream each in Gino's afterwards and then they went swimming in the sea.

### Did You Know?

There are 31,556,926 seconds in a year!

**Why did the chicken cross the playground? To get to the other slide!**

**What can you catch but not throw? A cold!**

**What has hands but can't clap? A clock!**

Jokes to make you laugh!

7 billion smiles, and yours is my favourite.
