- Maeve Adderley is the Wicked Witch of the East in her online Glee drama class and she has been doing lots of rock climbing on the North Beach.
- Emily's Shenick adventure. On Thursday I walked out to Shenick island with my family and my dog. It was very sunny. My brother climbed up the Martelo tower. On the way back I ran through the water and got soaked. I had a great time. I miss all my friends in school and can't wait to see them again soon. Emily Glennon
- Cian Flanagan (Mr. Dé Condúin) and his brother Cormac are spending their days building lego, swimming in the sea and having video chats with their friends!
- Odhran Barry-Hayes (Ms Wilde) is playing with his new dog Pippin in the garden every day and bringing him for walks. He is also doing a run and a walk with his mum every day.
- Drew (Ms. Meehan) has been a super little boy at home; doing his homework, helping his mummy around the house, playing with his older sister in the garden everyday, getting an hour of scooting around the head for exercise and practising his Irish dancing, and, most importantly, face timing his grandparents, Papa and Dodi, regularly to make sure they are ok cocooning; he really misses their hugs. But he also misses school, his friends and teacher and he can't wait to see them all again soon.
- Jamie McGuinness (Ms. Meehan) has recently moved from Drogheda to Skerries & spends most evenings on the beach & is so happy!

He considers himself a junior MasterChef, he's recently baked a chocolate, raspberry and Nutella cake which achieved a 5 star review. Liam is planning on getting a job with Disney so he is busy researching ALL of their shows and films along with colouring and drawing every day.
- Dani Travers (Ms Grimes) has had so many 2km adventures. She discovered a new beach where she has been collecting rocks to paint and make glittery. Dani spends a lot of time saving Barbie's from a slobbery beast, also known as Coco the dog! She has been practicing her cutting skills - first up was dad's hair, to his delight, next is Coco ... Watch out Coco!!
