Did you know?

The smallest bone found in the human body is located in the middle ear. The stapes (or stirrup) bone is only 2.8 millimetres long.

Health & Wellbeing Week 2020

Next week is Health & Wellbeing Week. We are combining our annual Active Week and Amber Flag Week so we can all take a breath and a break. Books away! It's time to focus on your mental and physical health. More information will be emailed from your teachers.

WHAT HAS EVERYONE BEEN UP TO?

- Hazel in Ms. Mahon's class would like to say hi to all her friends. She misses them so much. She's been doing lots of cycling down to the beach and practicing her tennis skills on the new swingball in the garden. She's also been helping her mammy do a 1000 piece jigsaw!
- Christopher (Ms. Keane) wrote to the RNLI and asked them to send a map of all the RNLI boat stations in Ireland and the U.K. And they did! He got a letter and the map back in the post this week. They even have inland stations.
- Ryan Burke (Ms. Kelly) celebrated his 9th birthday on the 2nd of May. He has got a new bike and is enjoying video chats to all his friends. Happy Birthday Ryan!
- Eva Daly (Ms Byrne) and her sister Jessica (Ms Grimes) are having lots of fun on their scooters and helped make an amazing skate ramp to practice on and do lots of tricks. Their generation dolls like it too. They miss all their friends in St Patrick's x
- Ruby (Ms. Daly): This week my puppy Teddy did his first big swim in the sea and he didn't want to come out. We had lots of fun on the beach and when we got home Teddy swallowed one of my socks! I made scones with my mum and I have been doing my homework. I want to say a special hello to my teacher Ms Daly and to all my friends.
- Catherine (Mr DeConduin) and Anne (Ms. Byrne) Murray have been busy going for lots of cycles, Anne got a new bike. They are also enjoying playing in the garden in their tent. Anne lost her first tooth and had a visit from the tooth fairy! However they are missing their friends and teachers a lot and send a big hello to everyone.

ART

I would like to include an Art Gallery page in one of next week's issues. Please send photos of drawings, paintings, junk art etc. to stpsgoodnews@gmail.com if you would like your art to be included. Write your name and class clearly on the picture you are sending.

Why do cats Purr? Because they Purractice!
(Christopher Fox Heil)

What did one toilet say to the other? You look a bit flushed!

What does a spider's bride wear? A webbing dress.

Why did the melon jump into the lake? It wanted to be a water-melon.

Jokes to make you laugh!

Smile at the obstacle, for it is a bridge.
