Health & Wellbeing Week 2020

This week is Health & Wellbeing Week! I hope you all enjoy working on your Health & Wellbeing grids and are happy to put the books away for the week!

WHAT HAS EVERYONE BEEN UP TO?

- Amélie (Ms Hewitt) has been enjoying going for morning walks with her little brother & Dad to the beach. She has been collecting rocks & painting them & looks forward to when she can hide them again for her Skerries friends to find. She also got a paddling pool & is splashing away in the garden after her schoolwork. Her Grandad is an Artist, so her & her cousins have been enjoying Zoom Art Classes with him every Saturday afternoon. She drew a shark & a butterfly last week. She misses all her friends & her teacher Ms Hewitt very much & hopes to see them again very soon.
- Ms. Delaney has been starting each day with a mini yoga session. I enjoy opening the windows to let in the fresh air and listen to the birds singing as I have a gentle start to my day.
- Ms. Grimes is still running every day and playing avengers with her two crazy sons!
- Amelia misses Ms.Grimes, all the teachers and helpers and her friends so much. She's keeping busy baking lots, her favorite so far are rainbow pancakes. She also cut her Dad's hair and beard during the week. Let's say the rainbow pancakes turned out better!
- We had 3 new calves born last week on the farm. (Ms. J. Byrne)
- Mrs. Dungan met Mr. DeCondúin and his wife on their way back from a walk to Shenick Island. She decided to copy them and walked to Shenick with her family the next day! It was lovely!
- Aoife Quinn (Ms Kelly 2nd Class) is having great fun on her new trampoline and is spending her days jumping and being grateful for the beautiful weather! She got 7 out of 22 in the teacher picture quiz!
- James (Ms. Byrne) and his sisters Emma and Sophie have been busy re-decorating their bedrooms and cycling 6 kms every evening. They miss all their friends and teachers.
- Barack's baby sister (Nissi) learned how to do the "panda crawl". Barack made a fidget spinner out of K'nect pieces.
- Ms. Ní Chróinín was very excited to see a chaffinch in her back garden today! She has also met some "neighbours" – a pair of robins visit her garden every day looking for food. They are very friendly and come right up to the back door to eat the food left out for them.

Why did the bat go to the circus? Because he was an acrobat! (Leah Dungan)
