WHAT HAS EVERYONE BEEN UP TO?

- Ellie (Ms Hewitt) would like to say hi to all her friends in Senior infants - she is missing them a lot. She is busy practising on her new rollerblades and building camps with her big brother Harry and little sister Ava. She made her first trip to Shenick island last week and helped her Dad paint the shed and plant lots of seeds.
- Deirbhle McSweeney and Fia Oxley (Ms. Davis) enjoyed a Video Chat. They had great fun catching up with each other, chatting about all the fun they're having at home with their families. Their younger siblings also popped on to say hello!
- Sam (Ms. Hewitt) has been picking up litter around the community centre with his gloves and grabbers. He has picked up litter from the garage to his house too. He has been helping his dad in the garden and going for lots of walks and bike rides. He has also been making paper boats and racing them with his mom. He made a volcano which exploded green lava. Sam is having lots of fun at home, but he misses his teachers and friends.
- Anna, Matt, Luke Sherwin and their dad found a bee lying sick in the garden, they picked him up and put him on a flower and after some time were thrilled to see he had recovered with lots of energy and flew off.
- One early morning Katie (Ms. Daly) went to the beach with her sister Emilka and mummy and daddy to see the sun rise. Unfortunately, it was very cloudy and she didn't get to see the sun waking up. But she did get to enjoy a hot cup of tea on the beach at 5 o'clock in the morning! Katie also enjoyed baking with her daddy and sister Emilka. She would like to say HELLO to all her friends.
- Cían Flanagan (Mr.DeCondúin) built this wonderful battle scene from lego! Well done Cían that must have taken ages!!
- Leah Kivlehan is missing her cousin Finn Gaffney (Ms. Daly) who should have made his First Holy Communion on Saturday. It was also his 9th birthday last week. We hope to celebrate all together again soon ;)
- Dani and Liam Travers had great fun last week. They made the lava lamps as part of Health & Well-being week.
- Holly Walsh (Mr. DeCondúin) and Harley Walsh (Ms.Wilde) miss their teachers and friends so much. They have been busy going for walks, cycles and baking. Holly was sad she couldn't make her communion on Saturday but had a family bbq, she can't wait for the real day. Stay safe everyone x

Did You Know?

Kangaroos cannot jump backward!

3 jokes from Katie & Emilka Crampton:
What did the sea say to the beach? Nothing. It just waved :)

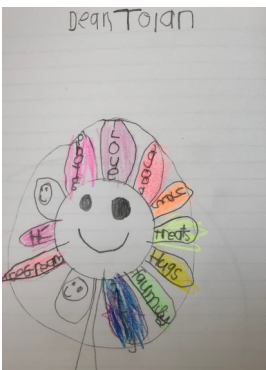

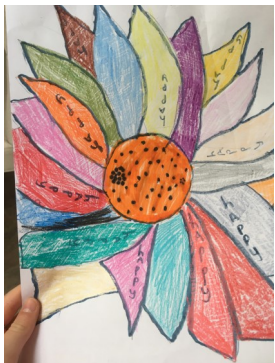

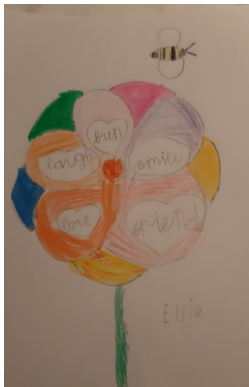

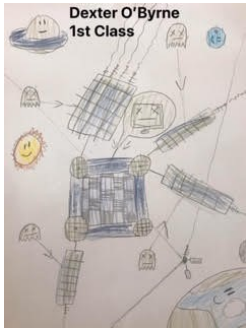

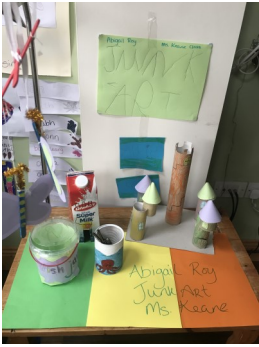

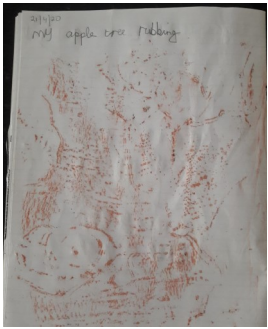

Why did the sand not want to go to the sea? Because the sea weed.

What did one wall say to the other? I'll meet you at the corner!

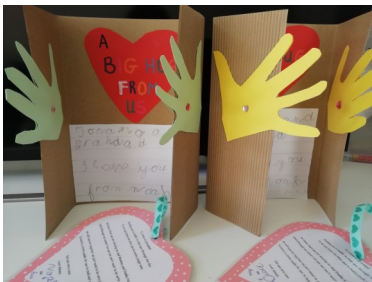

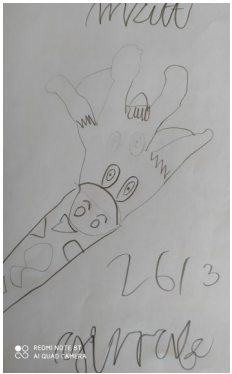

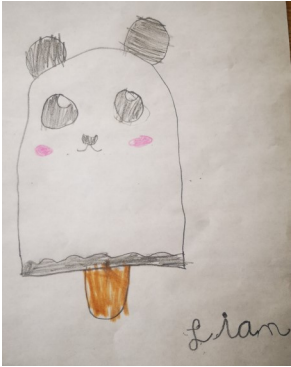

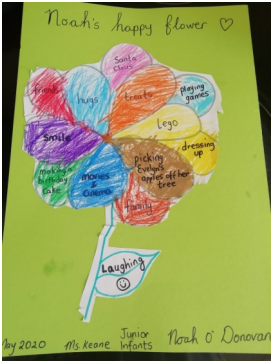

Jokes to make you laugh!

A warm smile is the universal language of kindness
