### Did You Know?

The Blue whale is the largest animal of all time, reaching a weight of about 180 tonnes and a length of 98 ft (30 m). Their tongues alone can weigh as much as an elephant and their hearts as much as a car!! Can you find out any other facts about the blue whale?

## WHAT HAS EVERYONE BEEN UP TO?

- Odhran (Ms Wilde) loved health and wellness week last week. By the end of the week he was able to do 60 burpees!! His favourite activity was baking (and eating) a lemon cake with his brother and sister. At the weekend Odhran went on a cycle with his dad and his brother and they stopped for an ice cream break.
- Liam (Ms. Davis / Ms. N.Kelly) made a Captain America Shield out of an old cardboard box #junkart. He got Table of the week last week with his Dad coming a distant 2nd! He got a cert, a trophy and pizza! Liam is learning how to code on [code.org](http://code.org) and loving it. Solving loads of puzzles! Liam did 5000 steps for Charity and received a certificate from the G4M&O signed by Lyndsey Davey!
- MacDara Mac Mahon (Ms Keane) & Caoilin Mac Mahon (Ms Hewitt) are missing their teachers and friends & hope to see them all soon. They have been busy on their bikes and scooters going up the beach with their older brother & sister.
- Robyn (Ms. Keane) is writing a book! It's all about a unicorn called Veronica who lives in a cave at the top of a hill and loves ice-cream! Robyn sends each chapter to her teacher when it is done and Ms. Keane is very impressed—she really looks forward to reading what happens next. Well done Robyn. What a great imagination and a great idea!

- A big Happy Birthday to Colleen (Ms. Grimes) who turned 8 on Saturday. Hope you had a lovely day celebrating with your family Colleen!

- Happy birthday to Laura & Rachel Dore (Mr.DeCondúin & Ms. Kelly) who turned 9 on Sunday. Hope you had a great day girls with lots of cake!
- Michael is very busy in school painting, gardening, mending and most importantly installing new hand sanitizer units in every classroom for when we return in September. Thank you Michael!
- Jennifer and Tommy Parker (Mr. DeCondúin & Ms. Davis/Kelly) made a fabulous sand sculpture of a mermaid on the beach. Well done Parker family it's amazing!

- Leah (Ms. Hewitt) and her sister Kate painted colourful pictures on the wall in the back garden to brighten it up!

Keep sending your art in to Mrs. Dungan for our next gallery page!

**Why did the maths book look so sad?** Because it had so many problems!

**Why did the man run around his bed?** Because he was trying to catch up on his sleep!

**What do you call a bear with no teeth?** A gummy bear!

**Can a kangaroo jump higher than the Empire State Building?** Of course! The Empire State Building can't jump!
