

BACK TO SCHOOL!

AUGUST 2020

St. Patrick's Junior School, Skerries

Hi Boys & Girls! We cannot wait to see you all soon on 27th August and to welcome our new Junior Infant children to St. Patrick's. To help keep us all safe, some things will be a little different to what we are used to. Don't worry - We will still get to see all our friends and our teachers and have great fun learning new things!

Your parents and minders will not be allowed into the school this year. They will bring you to the gate and you can wave to them when you come through to meet your teacher who will be waiting for you with a big smile and a 'Good Morning!'

Sharing is Caring! We all know that! We are so kind in St. Patrick's Junior School and we always share our toys, colours and pencils. But guess what? Because of this silly Coronavirus we are not allowed to share our things this year! How strange! We can still show kindness in our words and actions though and most importantly with our smiles.

But for this year you need to have your own pencil case with pencils, colours, parer and rubber.

Washing your hands is so important! We will be washing our hands loads of times in school!

- ◇ Before & After we eat.
- ◇ If we sneeze or cough.
- ◇ When we come in from the yard.
- ◇ Before & After we play with activities.

There will also be hand sanitizer for you to use every time you come in to your classroom. This will help keep our hands extra clean!

Your teachers and helpers will have to wear masks sometimes. Just like the ones your parents use when they are going to the shops. You will still recognize them as their very kind and smiling eyes will still be showing! 

Have a look at the next page and see if you recognize anyone!

To keep you safe,
your class will be your bubble.
Each class bubble will stick together
and play together in the yard.
We will not have big school gatherings
like assembly this year.

We have to be very careful with our coughs and sneezes! Remember to cough or sneeze into your elbow not your hands! If you are using a tissue then pop it in the bin straight away and be sure to wash your hands.

You must only come to school if you are feeling well. If you are not well you MUST stay at home!

Welcome back to school everyone! We can't wait to see you!!

Masked & Mysterious!

St. Patrick's Junior School Super Heroes!
